Craft Camp

June 8-12

The kids will do a different craft each day. Some ideas are sun catchers, finger and sponge painting, and clay crafts. Be sure to dress your children in cloths that can get messy.

Science Camp

June 15-19

We will explore some simple science concepts. Some ideas are color mixing, seed sprouting, oil and water experiments and making a volcano.

Theatrical Camp

June 22-26

Let your child's imagination out! We will make puppets and we'll put on a short play by the end of the week.

Music Camp

August 17-21

We will explore many types of music. Guest musicians will be brought in through out the week.

Camps will be held Monday thru Friday
9:00 am to noon.

The Teacher is Miss Becky.
The age range is from 3 years old up to 3rd grade.

(Children must be currently enrolled in preschool classes or at least 3 yrs old.)

Cost is \$100 per camp. To be paid in full with registration.

We need a minimum of 7 children for each week. If classes need to be cancelled - the registration fees will be returned in full.

Minimum number of students must be enrolled no later than 1 week prior to camp starting.

Fill out and turn in this section only with fee.
